

Editing your newsletter is as easy as:

1)

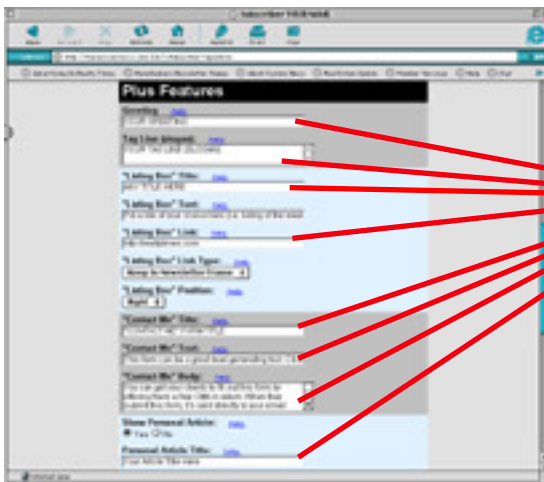

As soon as your newsletter is ready, we'll send you a link to your login page, a Subscriber ID and a Password. Just go to the login page link and you can get started!

Enter in the subscriber ID we sent in our first email to you.

Enter in the password we sent in our first email to you. (This is case sensitive.)

Press the "Login" button.

2)

Fill in the displayed fields as you would like them to appear on your newsletter.

3)

Press the "Submit" button. Your changes will be instantly made to your newsletter! Don't like the way they look? Just hit the back button on your browser to try again.
