SCHEDULE OPEN HOUSE

1-Click provides a calendar app to schedule an open house.

PROMOTE THE DAY AND TIME

1-Click generates a registration form for the user to fill out and automatically sends a text and email with the meeting list.

INVITE HOME SHOPPERS TO REGISTER

You may promote the open house by distributing the registration form via email, social sites, or 1-Click Marketing.

DO A WALK-THROUGH OF THE LISTING

Do the walk-through as you would normally; describe the facts and benefits of the listing.

When your virtual walk-through has ended, 1-Click will forward a list of attendees.
